

# How to find us

Leeds office

## Newton Investment Management Limited

1 Whitehall Riverside, Whitehall Road, Leeds LS1 4BN

Switchboard +44 (0)113 244 9000

### Walking directions from Leeds Train Station

After walking out of the City Train Station turn left. Cross the road, staying on the same side as the train station and then veer left. After walking approximately 20 metres, you will see the Princes Exchange on your left; continue walking until you reach a set of traffic lights. Cross the road at the traffic lights, walking past Whitehall Quay and continue past the Novotel, which is on your left hand side. A little further down, you will see a large open car park. There is a small entrance before you reach this large car park, turn left here. One Whitehall Riverside is a large grey and glass building set back from the road. Walk towards the river veering right to reach the entrance of the building.

### Driving directions from the City Square

From City Square turn left down Aire Street (just past the front of the Queens Hotel). Follow Aire Street onto Whitehall Road, go through the lights by the Novotel. Newton is the first on the left after the lights, before the car park.

Should you have any difficulties finding the building, please do not hesitate to contact us on 0113 774 4710.
